SIGN UP / REGISTRATION:

We will be using Golf Genius again this year. We will provide you with a league scorecard with your players names and handicaps. Please write the gross score of each player and golf genius will do all other calculations. If you need to add a substitute, write their first and last name on the league scorecard.

Individual league fee and handicap fee must be paid in full prior to teeing off the first night. We encourage you to stop out early and take care of those in the golf shop.

FORMAT: 3 flag events per 9 each week.

This league is for players who are looking to enjoy socialization and a less competitive atmosphere than our Tuesday Night League. Players will form teams of four players and you will be scored on two net best balls on each hole using the Stableford Points system. This is further explained in the scoring section below.

SCORING:

The Stableford scoring system is a points-based system that rewards good holes but doesn't punish you on bad holes. Each team will count 2 net best balls on each hole.

*Double Bogey (or worse) – 0 Points
Bogey – 1 Point
Par – 2 Points
Birdie – 3 Points
Eagle – 4 Points*

HANDICAPPING:

All players must have a USGA handicap for this league. The maximum allowable handicap for this league is 18 for 9 holes, regardless of handicap calculations.

SUBSTITUTE PLAYERS:

If you are not able to play, you may find a substitute to take your place. Substitute players are subject to the weekly 9-hole greens fee and a \$5 league fee. This fee makes substitute players eligible for the weekly flag events.
