Format: Tuesday Night League is our traditional competitive four-ball league. Teams of two will compete against other teams of two in a net Best-Ball match play format. Handicaps will be played at 100% and matches will be played off the low handicap in the group. Teams will play a round-robin schedule so each team plays each other once. Your team will accumulate points throughout the whole season.

Scoring: We will utilize live scoring on golf genius along with your scorecard.

Each match has a possible 10 points:

1 point for winning a hole, ½ point for tying a hole, 1 point for winning the match, ½ point for tying the match.

Missed weeks/absent players: If you are not able to find a replacement player on a week you cannot play, your partner will be required to play solo against the scheduled team. If both players on a team do not show up, the other team will play a match against par and will still be eligible to score points that week. There will be no make-up rounds if you miss a week.

Substitute players: If you are not able to play, you may find a substitute to take your place. You must call the golf shop with your substitute's information by Monday night. Substitute players will be required to pay the weekly \$4 league membership each time that they are a substitute. The \$4 will go into the end of the year prize fund. This will also allow them to be eligible for prizes that week.
